

24th Annual Paris to Ancaster EXPO Information

For over a century the roads of northern Europe have been home to the toughest bicycle races in the world. The most famous of these, Paris to Roubaix, takes place each spring over brutal cobblestone roads that have been preserved in their historic condition for over 100 years.

Inspired by this classic race, Paris to Ancaster has taken place for the past nineteen years over the roughest farm lanes, trails and gravel roads we can find. Combined with unpredictable spring weather and the largest field of riders assembled in Canada, it has become a classic race experience for everyone from average riders to Canadian Olympians.

Last year over 2,000 cyclists took part in the race, and this year we expect an even greater turn out!

The expo will include local businesses and organizations that promote a healthy active lifestyle. We want to provide our riders and their family with an experience they will remember.

As an exhibitor, you will receive the following:

- Your logo and company description on our website
- Company shared on our social media sites
- 1 table and 2 chairs
- A prime location in the gym or lobby or outside
- Exposure to over 2,000 individuals, with over 60% from the Hamilton area

Please join us on April 29 & 30, 2017 and become part of the history of this unique race.

If you have any questions please do not hesitate to contact myself at expo@parisancaster.com or 289-775-2083
