

# 2017 PARIS TO ANCASTER SPECTATOR VIEWING AREAS

**VIEWING AREA #3** - Rail Trail at Field Road north of Jerseyville Road W. #3 can be approached from either the east or west on Jerseyville Rd. Turn right (north) on Field Road. Expect delays. Park on the right side of the road. Please make sure your vehicle is completely off the road surface.

**VIEWING AREA #4** - The Infamous Powerline Mudslide. As noted above Trinity Road N at Powerline Rd W is to be avoided when driving. The race course crosses through this area and causes long delays for north-south drivers. Access the Powerline Mudslide by going north on Paddy Greens Rd. from Jerseyville Rd W. Paddy Greens Rd. is narrow, and muddy. Not all vehicles could make it through easily. At Powerline Rd E turn right. YOU ARE NOW ON THE RACE COURSE! Racers have the right of way. Go to the end of the road to park. Don't block any of the adjacent driveways please.

**NOTE: These directions are provided as a courtesy. The event assumes no responsibility for accuracy or driving conditions.**
