Support John and Tim & Fuel Health Research that Saves Lives at St. Joe's

Riders in Paris to Ancaster are encouraged to consider raising funds or making a donation to our official charity partner, St. Joseph's Healthcare Foundation. You can make a donation at the time of registration or share your fundraising page via social, text or email and ask your family and friends to support your ride with a fully tax-receiptable donation. Every gift helps to fund groundbreaking health research at St. Joseph's Healthcare Hamilton. Wondering why it matters? Well, let's start with the fact that [St. Joe's Researchers are Reducing Prostate Cancer Recurrence Rates](#).

This cause is so important to us that former race organizers John Thorpe and Tim Farrar are taking on P2A with purpose, riding in the event for the first time while raising funds for St. Joe's. Every kilometre they cover is driven by a commitment to making a difference and every gift you make to support their ride will be matched, dollar-for-dollar for double the impact. You can be part of their journey by supporting their team—cheer them on, spread the word, or contribute to their cause and help power their ride all the way to the finish line.
